

Modern HR and RTO Management Quick Start Guide

Increase the effectiveness of HR teams & Return to Office

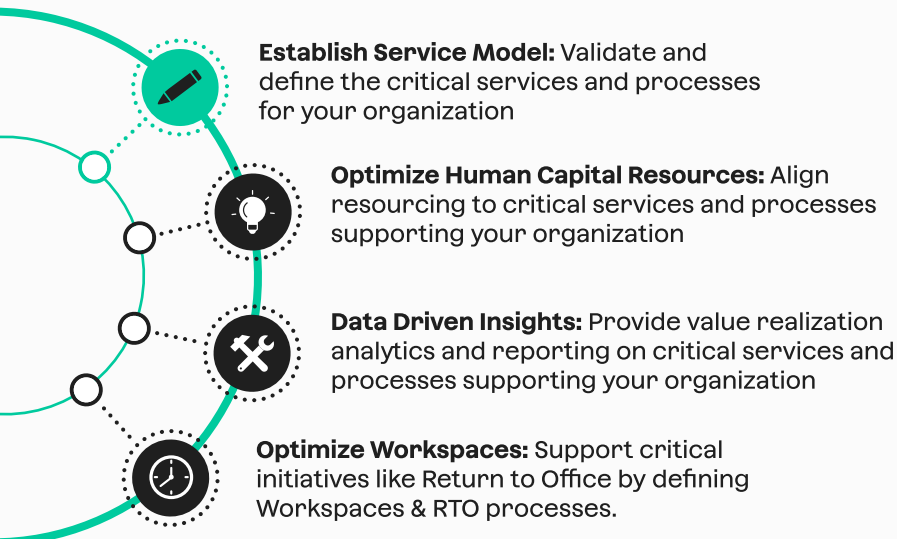

This Government Transformation Suite (GTS) offering will help your organization manage staffing levels while speeding up HR processes for onboarding, off-boarding, and everything in between. Optimize space utilization and automate once manual processes and procedures. Establish a high-level of organizational readiness in just 6 weeks.

Outcomes

- ✓ Human Resource Awareness: Provide a high level of preparedness to respond to evolving efficiency requirements from executive mandates.
- ✓ Rationalized Business Processes: model critical processes and business outcomes for the enterprise.
- ✓ Optimized Resourcing: Substantiate use of human and capital resources.
- ✓ Return to Office Support: Optimize Workspace and processes for Return to Office

How it Works

Points Allocation

Customer has a set number of points allocated for use with a standard catalog of services developed to quickly provide solutions. The points can be used to respond and/or adjust to executive mandates on human resource and capital resource efficiencies.
